TANKS IN MONS
RULES MILITARIA FLEA MARKET

Belgian law states that :

Each participating gunsmith must be approved.

Each gunsmith with a Belgian approval may, on the basis of the law itself, sell exceptionally weapons outside their permanent establishment.

Foreign dealers must seek prior temporary approval to the governor in charge (in this case, the governor of Hainaut in Mons).

The foreign dealers should have of copy of their certification with them at the fair.

Both foreign dealers and individuals must obtain prior to the fair a temporary import permit and final exit for all weapons to the licensing department of the Region which they depend.

Individual participants, including collectors, should not be approved. However, they may occasionally sell weapons without commercial intent or, in other words, as part of normal management of their heritage.

REMINDER :

Police of Mons will make lightning checks.

In this matter, « TANKS IN MONS » committee cannot be held responsible for any violation of the law.

Stands are available on public way in limited areas.

Each stallholder must respect belgian law and in particular fiscal regulations. The committee cannot be held responsible for any kind of violation.

The organization cannot be held responsible for theft, loss or damage to stands or their contents, for accidents or any personal injury sustained during the fair. All damage caused by a participant or a visitor shall be repaired at his expense.

Stallholders are expected to help maintain the site in a clean and tidy condition, all rubbish should be put in the appropriate bag given at the set up.

It is strictly forbidden to set any kind of fire (eg. for BBQ).

Neither food nor drinks can be sold on the fair.
